Juxta

- Beautifully designed with organic shapes and rounded lines, the expansive [Juxta collection](#) appeals to our innate desire to be surrounded with curved objects. The innovative collection of seating and tables is designed to address all the juxtapositions in our working lives.
- [Lounge](#), [side](#) and [stool](#) seating is ideally accompanied by a variety of complementary tables in [occasional](#), [lounge](#) and [conference](#) height.
- [Limited Edition table tops are available in Cambria Quartz.](#)

Meander

- The Meander modular sofa exemplifies soft contract stylings. Full, plush cushions appear to float above the ground to provide a serene lounge space. The sectional can wind and curve at 70 and 90 degree angles, to create a massive, multi-functional space, while smaller units can be used individually to create an intimate, inviting environment
